## INSTRUCTIONS TO BIDDER ON ELECTRONIC TENDERING SYSTEM

These conditions will over-rule the conditions stated in the tender documents, wherever relevant and applicable.

1. Registration of bidders on e-Procurement Portal:

All the bidders intending to participate in the tenders process online are required to get registered on the centralized e-Procurement Portal i.e. https://etenders.hry.nic.in Please visit the website for more details.

#### 2. Obtaining a Digital Certificate:

- The Bids submitted online should be encrypted and signed electronically with a Digital Certificate to establish the identity of the bidder bidding online. These Digital certificates are issued by an Approved Certifying Authority, by the Controller of Certifying Authorities, Government of India.
- 2.2 A Digital Certificate is issued upon receipt of mandatory identity (i.e. Applicant's PAN Card) and Address proofs and verification form duly attested by the Bank Manager / Post Master / Gazetted Officer. Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website https://etenders.hry.nic.in
- 2.3 The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from.
- **2.4** The bidder must ensure that he/she comply by the online available important guidelines at the portal **https://etenders.hry.nic.in** for Digital Signature Certificate (DSC) including the e-Token carrying DSCs.
- 2.5 Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt and sign the data during the stage of bid preparation. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised to keep a backup of the certificate and also keep the copies at safe place under proper security (for its use in case of emergencies).
- 2.6 In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/power of attorney /lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.
- 2.7 In case of any change in the authorization, it shall be the responsibility of management/partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person/user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.
- 2.8 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.

### 3. <u>Pre-requisites for online bidding:</u>

In order to operate on the electronic tender management system, a user's machine is required to be set up. A help file on system setup/Pre-requisite can be obtained from NIC or downloaded from the home page of the website -

**https://etenders.hry.nic.in** The link for downloading required java applet & DC setup are also available on the Home page of the e-tendering Portal.

#### 4. Online Viewing of Detailed Notice Inviting Tenders:

The bidders can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the single portal e-Procurement system on the Home Page at <a href="https://etenders.hry.nic.in">https://etenders.hry.nic.in</a>

#### 5. <u>Download of Tender Documents</u>:

The tender documents can be downloaded free of cost from the e-Procurement portal <a href="https://etenders.hry.nic.in">https://etenders.hry.nic.in</a>

#### 6. Key Dates:

The bidders are strictly advised to follow dates and times as indicated in the online Notice Inviting Tenders. The date and time shall be binding on all bidders. All online activities are time tracked and the system enforces time locks that ensure that no activity or transaction can take place outside the start and end dates and the time of the stage as defined in the online Notice Inviting Tenders.

# 7. Online Payment of Tender Document Fee, Processing fee & EMD fees & Bid Preparation & Submission (Technical & Commercial/Price Bid):

7.1 Online Payment of Tender Document Fee + Processing fee: The online payment for Tender document fee, Processing Fee & EMD can be done using the secure electronic payment gateway. The Payment for Tender Document Fee and Processing Fee shall be made by bidders/Vendors online directly through Debit Cards & Internet Banking Accounts and the Payment for EMD shall be made online directly through RTGS / NEFT & OTC.

The secure electronic payments gateway is an online interface between contractors and Debit card / online payment authorization networks.

## 7.2 PREPARATION & SUBMISSION OF online APPLICATIONS/BIDS:

- (i) Detailed Tender documents may be downloaded from e-Procurement website https://etenders.hry.nic.in and tender mandatorily be submitted online following the instruction appearing on the screen.
- (ii) Scan copy of Document to be submitted / uploaded for Technical bid under online Technical Envelope. The required documents (refer to DNIT) shall be prepared and scanned in different file formats (in PDF/JPEG/MS WORD format such that file size is not exceed more than 10 MB) and uploaded during the on-line submission of Technical Envelope.
- (iii) FINANCIAL or Price Bid PROPOSAL shall be submitted mandatorily online under Commercial Envelope and original not to be submitted manually)

- (B) For help manual please refer to the 'Home Page' of the e-Procurement website at https://etenders.hry.nic.in, and click on the available link 'How to...?' to download the file.

## (Online Payment Guidelines)

## <u>Guideline for Online Payments at e-Procurement Portal of Government of Haryana.</u>

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing) & Password. Bidder shall proceed to select the event/Tenders he is interested in. On the respective Department's page in the e-Procurement portal, the Bidder would have following options to make payment for tender document fee + Processing fee & EMD:

- A. Debit Card
- B. Net Banking
- C. RTGS/NEFT or Over The Counter (OTC)

#### **Operative Procedures for Bidder Payments**

#### A) Debit Card

The procedure for paying through Debit Card will be as follows:

- (i) Bidder selects Debit Card option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.

- (iii) Bidder clicks on "Continue" button.
- (iv) The e-Procurement portal takes the bidder to Debit Card payment gateway screen.
- (v) Bidder enters card credentials and confirms payment
- (vi) The gateway verifies the credentials and confirms with "successful" or "failure" message, which is confirmed back to e-Procurement portal.
- (vii) The page is automatically routed back to e-Procurement portal
- (viii) The status of the payment is displayed as "successful" in e-Procurement portal.
- (ix) In case of successful payment, a success message along with unique transaction ID is passed on to e-Procurement system. The e-tendering portal shall store the unique transaction number in its database along with the date and timestamp
- (x) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

#### B) Net Banking

### The procedure for paying through Net Banking will be as follows:

- (i) Bidder selects Net Banking option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid by bidder.
- (iii) Bidder clicks on "Continue" button
- (iv) The e-Procurement portal takes the bidder to Net Banking payment gateway screen displaying list of Banks.
- (v) Bidder chooses his / her Bank
- (vi) The Net Banking gateway redirects Bidder to the Net Banking page of the selected Bank.
- (vii) Bidder enters his account credentials and confirms payment
- (viii) The Bank verifies the credentials and confirms with "successful" or "failure" message to the Net Banking gateway which is confirmed back to e-Procurement portal.
- (ix) The page is automatically routed back to e-Procurement portal
- (x) The status of the payment is displayed as "successful" in e-Procurement portal.
- (xi) In case of successful payment, a success message along with unique transaction ID is passed on to e-Procurement system. The e-Procurement portal shall store the unique transaction number in its database alongwith the date and timestamp.
- (xii) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

## C) RTGS/ NEFT

This solution shall also allow the bidder to make the EMD payment via RTGS/NEFT this shall add to the convenience of those bidders who are not conversant to use net banking option to make the transaction.

Using this module, bidder would be able to pay from their existing bank account through RTGS/NEFT. This would offer a wide reach for more than 1,10,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

1. To choose the payment of EMD, the bidder clicks on RTGS/NEFT payment option.

- 2. Upon doing so, the e-Procurement portal will redirect the bidder to a page where it will generate a Challan.
- 3. This Challan shall include the beneficiary (virtual) account number and other details like beneficiary IFSC code each.

### **RTGS / NEFT Payment Procedure**

The bidder shall be required to take a print of the challan and make the RTGS / NEFT on the basis of the virtual account number period on the challan. This provision will ensure that number confidential details regarding the bidder or tender are disclosed to the bank while remitting the RTGS/NEFT.

The bidder would remit the fund at least one day in advance to the last day and make the payment via RTGS/NEFT to the beneficiary account number as mention in the challan. SBI Bank shall receive this amount and credit the payment gateway service provider intermediary Department/PSUs Escrow Security Deposit account post validating the first part of the beneficiary account number, i.e., the client code only, In case of validation of client code is not successful, the bank shall return the fund and not credit the Techprocess intermediary Department/PSUs Escrow Security Deposit A/c.

## D) Over the Counter (OTC)

This solution shall allow the bidder having account with SBI bank,to make the payment from any CMS enables Branch of SBI Bank in India. Bidders can make the payment via cash (if amount is <=[]49,999), Demand Draft or SBI Bank Cheque.

The procedure for paying through OTC mode is as follows:

- (i) Bidder selects over the counter remittance option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid. The bidder chooses the bank account number for refund of the amount.
- (iii) Bidder clicks on "Continue" Button.
- (iv) The e-Procurement portal displays the details of payment. The Bidders click on "Print Challan" and print the OTC Challan.
- (v) Bidder submits the OTC Challan at the counter of any designated bank of SBI Bank with Cash/Demand Draft/SBI Bank Cheque (Payment in Cash is allowed upto Rs. 49,999/-).
- (vi) SBI bank verifies the URL (format to be discussed and decided) and amount with e-Procurement portal prior to accepting the payment.
- (vii) On successful verification from e-Procurement portal, SBI bank accepts the payment. In case of failure, SBI bank shall return back the OTC challan and payment to the bidder.
- (viii) SBI bank commits the payment transaction (in case of successful verification from e-Procurement portal) and sends the Bank Transaction number (I-Sure Reference Number) online against the URN and Amount.
- (ix) SBI bank will generate receipt for the payment transaction and issues the same to the bidder.
- (x) The e-Procurement system update the bank transaction number against the URN and amount based on the details sent by SBI bank online prior to generation of the receipt.
- (xi) The status of the payment will be displayed as "verification successful" in e-Procurement Portal, when the bidder clicks on the verification option in the portal.

(xii) Bidder would be required to upload the scan copy of receipt as received from SBI Bank as part of proof in next tender portal before submitting the tender.

#### TERMS AND CONDITIONS OF THE TENDER

#### Note:

The bidders may go through the INSPECTION CHECKLIST OF CHAKKI/FLOUR MILLS as mentioned in the ANNEXURE-B. The bidders having the required infrastructure, machines and equipments as per the above checklist shall be considered eligible for submitting the tender. However, the submission of tender shall be subject to fulfillment of all the terms and conditions of the tender document.

At present, the supply of Fortified Atta is being done in the districts of Ambala, Karnal, Yamunanagar, Rohtak and Hissar under PDS. For ICDS and MDM schemes, the supply of Fortified Atta is in progress in the districts of Panchkula, Ambala, Kurukshetra, Karnal, Sonepat and Kaithal. In future, these schemes of supply of Fortified Atta may be extended for the other districts by the Govt. of Haryana.

#### 1. **DEFINITIONS**

- a) FORTIFIED ATTA means Fortified Whole Wheat Chakki Atta.
- b) Fortified Whole Wheat Chakki Atta (Fortified Atta), popularly known as Atta in Indian subcontinent, is a coarse product obtained by grinding of wheat and contains all the parts of wheat e.g. endosperm, bran and germ. Generally, whole wheat flour obtained by grinding wheat in Chakkis is used to prepare chapatti, an Indian flatbread.
- c) The Contract is between Hafed and the Chakki/Flour Miller to execute & complete the Processing of the Fortified Whole Wheat Chakki Atta (Fortified Atta) as per agreed terms and Specifications. This includes all attachments and annexure.
- d) The Miller means an individual/firm/registered company etc. who has submitted the Bid to process the wheat for producing Fortified Whole Wheat Chakki Atta as per specifications specified in the tender document (Annexure-A, part 1a).
- e) The Bidder shall submit technical bid, financial bid and other required documents online.
- f) PDS means Public Distribution Scheme.
- g) MDM means Mid Day Meal Scheme.
- h) ICDS means Integrated Child Development Scheme.
- i) WCD means Women & Child Development Department, Haryana.
- j) Hafed means Haryana State Cooperative Supply & Marketing Federation Ltd.
- k) EED means Elementary Education Department, Haryana.
- I) F&S means Food, Civil Supplies & Consumer Affairs Department, Haryana.
- m) Specification means the specifications of the FORTIFIED ATTA, micronutrients and packing bags indicated in the tender document and any modification or addition made or approved by Hafed.
- n) Effective date of contract shall be the date of receipt of intimation of award of work to the successful bidder/s.
- o) Empanelment doesn't mean or guarantee the allotment of wheat.

#### 2 SCOPE OF WORK:

The scope of work covers the following activities:

i) Supply of wheat and transportation of Fortified Atta.

**MDM**: Hafed will supply wheat to the Mills and transport **Fortified Atta** from mills to the schools.

**ICDS**: WCD will provide the wheat to the Miller at the Mill and threrafter, lift the **Fortified Atta** from the mill premises itself.

**PDS:** Food & Supplies Department will provide the wheat to the Miller at the Mill and thereafter, lift the **Fortified Atta** from the mill premises itself.

#### The work and responsibility of the Miller.

- ii) Unloading of wheat bags from the vehicle, storage and shifting from Godowns to the mill for cleaning, grinding, processing, fortification, packing, loading of Atta into vehicles etc.
- iii) The bidder/Miller will quote the rate for fortification with specified micronutrients (vitamins and minerals) as per FSSAI fortification standards of 2018 mentioned at Annexure-A, (part b-i). However, if subsequently FSSAI/Government decides to continue with the FSSAI fortification standards of 2016 for fortification as mentioned at Annexure-A, part (b-ii), in that case the bidder/Miller has to do the fortification on the amended norms on the same rates without claiming any extra cost.
- iv) Testing of quality of Fortified Whole Wheat Chakki Atta, as per given specifications and Parameters (**Annexure-A part 1a**).
- v) Appropriate and scientific storage of wheat stocks, micronutrient premix, packing material and Fortified Whole Wheat Chakki Atta at the mill.
- vii) Packing of Fortified Whole Wheat Chakki Atta in 5, 10, 15, 20 & 25 kg bags and 2, 4, 6, 8 & 10 Kg made from the material and specifications as mentioned in the packing bag specifications for PDS and MDM Scheme. The packing of Fortified Atta in 50 kg or combination of 25 kg & 10 kg for WCD Scheme. Specifications of the packing bags are mentioned at Para 4 (v). These bags shall be further packed in master bags.
- viii) Printing on bags should be as per given design/format by the Food & Supply, WCD & MDM Department.
- ix) Loading of Fortified Whole Wheat Chakki Atta in to the trucks/vehicles at Mill.
- x) The quality of cleaning, milling, fortification, packing etc. should be such that the shelf life of Fortified Whole Wheat Chakki Atta (Fortified Atta) supplied by the Miller is at least 45 days. Miller is required to guarantee 45 days shelf life stability and it shall be submitted in the form of self-attested certificate for Fortified Atta produced by the Miller.
- xi) Any other work not mentioned in the scope of work, but found necessary at later stage for successful completion of this job, the Miller shall be bound to execute the work without any extra cost.
- xii) The Mill must meet the safety and hygienic standards as per the guidelines of the Government/FSSAI Norms.
- xiii) Preference will be given to the Miller who has weighbridge of 45 MT in the Mill premises or within 5 KM radius from the Mill premises.
- xiv) The covered storage space should be sufficient to handle wheat equivalent to approx. 15 days of processing and minimum space should be 300 MT for wheat and minimum 200 MT space for storage of 10 days of production for packed Atta. Mills having below 500 MT of covered storage capacity will not be considered.

- xv) The allocation of quantity of wheat to the successful Miller will be based on 15 days of the total production capacity of that Mill and the final decision for the total allotment of wheat and the Block/area to the Miller will be the sole discretion of Hafed.
- xvi) Re-allocation of wheat to the millers, if necessary will be considered and made by the committee of Hafed Head Officers after receiving the performance report with reference to quality and timely supply from the DMs, Hafed.
- xvii) The lab testing charges of the samples shall be borne by the respective Miller.
- xviii) The Miller will retain the empty wheat bags (Jute/HDPE) received from Food & Civil Supplies Department and will adjust its price while quoting the rates for processing.
- xix) The Miller should have all the required and sufficient infrastructure/equipments and the milling capacity as per the checklist placed at **Annexure-B**.
- xx) The Miller will supply the self attested certificate regarding the details of their infrastructure i.e. capacity of Chakki, availability of storage space for wheat and Atta, availability of weighbridge, etc. as per the parameters of technical bid placed at **Annexure-C.**
- xxi) The preference shall be given to the Cooperative Marketing Societies, Primary Agriculture Credit Societies and other multipurpose cooperative Societies duly registered by RCS Haryana, for allotting the work if the rates are equal/competitive and fulfills all other criteria and terms and conditions of the Tender in line with policy to improve their financial health.
- xxii) Hafed reserves the right to increase/decrease the tendered quantity without assigning any reason whatsoever.
- xxiii) For better execution of the work, preferably the allocation of wheat of one block will be allotted to one miller. However, it can be given to more than one mill for equal distribution of wheat.
- xxiv) Initially, the allocation of wheat will be made to the Flour Mills of the same district, where atta has to be supplied. In case, the milling capacity is less in any district, then the allocation will be done to the Millers of near-by districts. The minimum distance and the transportation charges from the mill to the Block will be considered while allocation of the wheat to the millers.
- xxv) Merely the empanelment of any mill does not guarantee for allocation of wheat. The performance of the mill with refence to quality and quantity of supply of atta will be considered for allocation of wheat.
- xxvi) The contract of the millers can be extended beyond one year subject to the condition, the performance of the mills, reasonability of the rates and after approval of Govt.

## **SCHEDULING**

- a) The wheat in 50 kg bags will be supplied to the Miller as per the monthly requirement of fortified Chakki Atta. Miller will acknowledge the receipt of wheat and will give a certificate acceptance of quality and quantity of wheat stocks.
- b) Release order for wheat stocks for next supply shall only be issued after satisfactory processing of fortified Chakki Atta from the previous month's release order.
- c) The delivery schedule will be provided in the work order and thereafter on monthly basis after getting the schedule from Food & Supply, WCD & MDM Department. These quantities are tentative and Hafed/Food and Civil Supplies Department may change the same for administrative convenience, if required.
- d) Effective date of contract shall be the date of award of work to the successful bidders.
- e) The DFSC/DEEO/DPO shall give the Block-wise/School wise/Anganwaries requirement of different packing of atta to DM, Hafed and the concerned Millers by 15<sup>th</sup> of every month, so that the packing material is arranged well in time for the next month.
- f) All the communication by the millers to Confed, Hafed and Food & Supply for requirement of packing details, wheat, sampling of atta, vehicle for transportation of atta etc. shall be done in writing through E-mail, letter and whatsapp group.
- g) The atta will be dispatched by the millers in presence of authorized representative of Confed/Hafed/WCD/EED of the concerned intending department under proper receipt.
- h) The supply of wheat will be started from 15<sup>th</sup> of every preceding month (allocation month) by Food Department. The Food Civil Supplies & Consumer Affair, department will make best efforts for making allocation of wheat before 10<sup>th</sup> of allocation month, so that the delivery of wheat may be started from 15<sup>th</sup> of every preceding month. Besides, the supply of fortified atta must be supplied before 15<sup>th</sup> of distribution month, as the period of one month is sufficient for processing the wheat into fortified atta.

## 3. TECHNICAL SPECIFICATIONS: -

The specifications of the FAQ wheat, Fortified Whole Wheat Chakki Atta, Micronutrients & Packing material are given at **Annexure-A**.

#### 4. QUALITY CONTROL AND INSPECTION.

In view of the short shelf life of Fortified Atta, the following method of quality assurance will be followed by the Miller:

- 4.1 The Miller must, at all times, ensure that the Fortified Atta produced shall always conform to the quality standard approved/prescribed by FSSAI and additionally adhere to specifications for Fortified Atta as in Annexure-A. Strict compliance with these quality standards is mandatory and any deviations shall not be permitted under any circumstances. It will be the responsibility of the Miller to ensure that proper and correct dosage of nutrients are mixed strictly as per norms mentioned in the tender documents. Any deviation shall result in severe action/criminal proceedings against the Miller as per law.
- 4.2 To ensure successful implementation of the Food Fortification for PDS/MDM/ICDS schemes, a joint committee consisting of DM Hafed and DFSC of the concerned district and a representative of Health Deptt. will carry out the inspection, sampling etc. The committee will inspect the wheat of their respective Districts after it is stacked and stored in the Mill premises. The committees will be informed by DM, Hafed concerned.

- 4.3 Sampling of Premix, Packing Material and Fortified Whole Wheat Chakki Atta will be done by a joint committee consisting of DM Hafed and DFSC of the concerned district and a representative of Health Deptt. and the committee will be informed by Hafed. Any other consultant/expert may also be associated by the committee. Testing of the samples of Micronutrients (Premix), Packing Material and Fortified Atta will be done strictly as per the FSSAI norms and FDA guidelines from the reputed FSSAI approved and NABL Accredited Laboratories or as decided by the above Committee.
- 4.4 To ensure the quality of a batch of **Fortified Atta** produced by the Miller, a random sample will be drawn by the Joint Committee as mentioned above or their representatives from each batch of approximately **200 M**T of **Fortified Atta** and sample will be sent for quality analysis/ testing to the reputed FSSAI approved and NABL Accredited Laboratories or as decided by the above Committee.
- 4.5 Once the result of the sample given to the authorized laboratory confirms that the **Fortified Atta** quality offered by the Miller in a batch is as per the specifications given in this tender document, the batch quantity will be accepted. Any deviation from specifications shall not be allowed. Hafed shall also be entitled to initiate action as deemed appropriate if the quantity of **Fortified Atta** is not supplied as per the prescribed quality specifications and within time limit.
- 4.6 The charges of lab testing of all samples shall be borne by flour miller.
- 4.7 Hafed also reserves the right to collect the random samples (through a joint committee) of **Fortified Atta** from Miller's premises/Godown Centers/warehouse(s) and get the same tested at the laboratory authorized by FSSAI and NABL Accredited Laboratories or as decided by the above Committee.
- 4.8 Any deterioration in quality or non-conformance to the approved specifications of the **Fortified Atta** will result in non-payment of bills or even initiating actions against the miller forfeiture of the security amount, getting the work done on his risk and cost and black listing the said party as well as initiating legal action against the Miller.
- 4.9 Miller is responsible for quality and quantity of packed bags for all times to come.
- 4.10 The milers shall ensure the entoleter are working properly and effectively to destroy the insect eggs and larva with minimum 99% efficiency. The samples will be collected randomly and will be tested for entomological analysis. In case the entoleters is found non functional then supply / allocation of wheat to the mill may withhold/reviewed and action as deemed fit will be taken.
- 4.11 The starch damage in fortified should not be less than 15%. The acceptable limit of starch damage is 15% and above.
- 4.12 The granulation/particle size of fortified atta should be in the range of as mentioned in the specification parameters.
- 4.13 The millers have to calibrate the premix feeder on half yearly basis and the calibration certificate shall be checked by Hafed or its authorized representative during visit to the mills.
- 4.14 The millers will submit a copy of Certificate of Authenticity (COA) and copy of bills of purchase of premix along with the monthly bills to DMs, Hafed.

## 5. PROCEDURE FOR PROCESSING OF FORTIFIED FLOUR

- After receipt of wheat in 50 kg. bags, the Miller shall give certificate of receipt of quantity and quality of wheat. MDM & WCD Department will give detail of type of bags (Jute or HDPE bags) supplied to the Miller on monthly basis. The empty bags will be the property of the miller.
- b) Proper record of processing of wheat is to be maintained and daily report of wheat stocks lifted, processed and packed will be submitted by the Miller.

- c) Choker/ Wheat Bran shall be a part of the final product and shall not be extracted/separated by the Miller.
- d) Other by-products arising out of the manufacturing of Flour shall be the property of the Miller, and any tax liability on it shall be borne by the Miller. Miller will supply Fortified Wheat Flour @ 100 % (including Choker/bran) of the total Wheat supplied i.e. the miller will supply 100 Kg of Fortified Atta against 100 Kg of wheat supplied.
- e) The Miller should buy required type and quantity of Vitamins & Minerals (Pre-mix) as specified in this tender from the reputed manufacturer having following criteria:
  - i) Vitamins & Minerals Pre-mix manufacturer should have minimum two years manufacturing experience,
  - ii) Manufacturer should have valid FSSAI and Food and Drug License besides other statutory approvals/licenses in vogue.
  - iii) Manufacturers having facilities and process should be audited and approved by any of the authorities like FFI/ WFP/WHO/MI/GAIN or manufacturer must have sold vitamins/minerals to any of these institutions.
- f) The price shall be inclusive of all applicable and relevant expenses like unloading of wheat at Mill, cleaning & grinding of wheat, cost of premix, fortification using vitamins and minerals as per technical specification, packing material, packing charges, storage at mill, loading of FORTIFIED ATTA at mill inclusive of all Govt. duties and taxes as applicable, public liability insurance and all other incidental expenses.
- g) The Bidder/Miller has to quote separate rates for Jute and HDPE bags/bardana received with wheat from WCD & MDM Department and also for different packing sizes as per the financial bid.
- h) For better mixing of premix, while preparing Fortified Atta, miller is should use micro-dozer and then process the Fortified Atta through Entoleter to ensure desired shelf-life.

## 6. Delivery:

The monthly ordered quantity of the **Fortified Atta** as per the quality and packing specifications should be made ready for supply as per the demand of Food & Civil Supplies, Elementary Education Department and WCD Department. The overall period required for the preparation of required monthly quantity of **Fortified Atta** should not exceed 15 working days. As soon as the required Fortified Atta is ready, it is to be communicated in writing to Hafed and Food and Civil Supplies Department.

**Late Delivery:** The late delivery of the stock will be accepted for the period of maximum 7 working days from the last day of delivery schedule after deducting late delivery charges at the rate of 2% of the processing charge per week of late delivery period for the late delivered quantity.

#### 7. PACKING, MARKING, LABLES

7.1 Packing must be in accordance with the Technical Specifications as mentioned in Packing, (part 4-vii) and must ensure sufficient protection of the product to prevent its damages or deterioration during transit to their final destination. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, sunlight, humidity, salt and precipitation during transit, storage the remoteness of the Goods' final destination during transport and storage under adverse climatic conditions.

- 7.2 Packing and labeling shall conform to all applicable laws and regulatory requirements and other provisions mentioned in this tender document **Annexure-A, (part 4 and 5)**. To ensure the quality of packing material for packing of **Fortified Atta** by the Miller, a random sample will be drawn by the Joint Committee from the bales of packing material and it will be sent for quality analysis/ testing to the laboratory authorized by Food and Drugs Administration / Government
- 7.3 Failure on the part of the Miller to meet with the packing and labeling requirements (Annexure-A) shall entitle the Hafed to reject the goods. In the event that the failure is continuing and is not rectified by the Miller within 15 days after the failure noticed by Hafed, then Hafed shall be entitled to terminate the contract and also to lodge financial and other claims against the Miller as may be warranted. Hafed will not be liable to make any payment to the Miller for any goods that have been rejected or for any other claims that the Miller may make for damages or otherwise following the termination of the Contract.

#### 8. Security:

i) The empanelled Millers will have to deposit a security amount equivalent @ 5% of the value of wheat, as and when allotted for processing and the rate of wheat will be considered as Rs.2200/- per qtl. including EMD in the shape of DD in favour of the Haryana State Cooperative Supply & Marketing Federation Limited.

Further, an additional Bank Guarantee equivalent to 10% of the value of wheat shall have to be furnished before the wheat is delivered to the Miller.

- ii) In addition, two post dated cheques of Rs. 50 Lakh each shall be submitted by the Miller to Hafed.
- iii) Surety from two reputed Arthias having their own shop and running license of previous 3 years shall be provided by the Miller. Surety will be equally/jointly responsible for any default found/done by the Miller at any stage.
- iv) In the event of failure to adhere to the terms & conditions by the Miller or any other loss caused to Hafed will lead to forfeiture of security amount and realization of losses by producing post dated cheques besides recovering the losses as per laws & ligation.

#### 9. PAYMENT TERMS:

The Miller will submit bills to the concerned District Manager, Hafed accompanied by an invoice describing, **Fortified Atta** delivered and services performed with complete documents stipulated in the contract. DM Hafed shall immediately submit the bills with concerned Department. The Food & Supplies, Elementary Education Department and WCD shall release the payment of processing charges and 5% service charges of Hafed within 15 days of submission of the bills by Hafed. For any delay in payment, the interest @ CCL shall be charged / recovered from the concerned department.

- Payments of processing charges to the Miller(s) shall be made by Hafed within 7 days of the receipt of the payment from Food & Supply/EED/MDM as the case may be. The receipt of the Fortified Atta confirmed by documentary evidence signed by the DFSC that the goods have been received in full quantity and in good conditions.
- Payments to the miller will be made for the monthly quantity delivered and accepted and shall be released against submission of following documents;
  - o Batch wise Original Invoice.
  - Quantity reconciliation statement for Wheat, Fortified Atta certified by Hafed and Food Civil Supply Department.

- o Quality Test Certificate issued by authorized laboratory batch wise confirmation of quality of the concerned batches of supply (Original)
- o Any other document required by Food, Civil Supplies and Consumer Affairs Department, Govt. of Haryana/Hafed
- o All payments shall be made through RTGS only.
- **10.** Apart from the empanelled Millers Hafed reserves the right to empanel Millers to facilitate the process of Food fortification from any other Miller as per the terms and conditions of tender after due approval.

#### 11. DELEGATION

The Hafed may delegate any of its duties and responsibilities to other Officers' agencies or experts after notifying the Miller and may cancel any delegation after notifying the Miller.

#### 12. HAFED'S DECISIONS AND INSTRUCTIONS

Except where otherwise specifically stated, the Hafed decision shall be binding on the Miller. The Miller shall carry out all instructions of Hafed pertaining to the contract and comply with the applicable laws.

## 13. SUB-CONTRACTING

Subletting of the work to any other party is strictly prohibited.

#### 14. STANDARDS

The Fortified Chakki Atta produced under this Contract shall conform to the standards mentioned in the Technical Specifications (Annexure-A).

#### 15. FLOUR MILLER'S RISK

All risks of loss of or damage to health, property, personal injury or death which may arise during and in consequence of the performance of the contract or any commercial risks other than the excepted risks which are the specified responsibility of the Miller. The Miller shall be liable for forfeiture of its security, liquidated damages, termination for default, if and to the extent that, it's delay in performance or other failure to perform its obligations under the Contract is the result of conditions defined as expected risks.

#### 16. CHANGE ORDERS

The Hafed may at any time, by written order to the Miller can make changes within the general scope of the Contract in the specifications of the Fortified Atta and the timing of supplies.

#### 17. INSURANCE

- a) The Miller shall provide insurance cover from the start date to the end of contract period, in the amounts and deductibles as decided by the Hafed.
- b) Insurance policy of the value of goods shall be taken to cover the losses/theft/ damage to the wheat or FORTIFIED ATTA during storage and processing.
- c) Loss or damages due to any claims in connection with the Contracts.
- d) Loss due to any personal injury or death to the employees/worker/labour of the Flour miller.

## 17. TAXES AND DUTIES

The rates quoted by the Miller shall be inclusive of prevailing Govt. duties and taxes, (if any) and other duties and taxes leveled by the State from time to time. Miller shall be responsible for all statutory and regulatory compliance and for obtaining any permits, licenses or other statutory documents required by Government /Hafed authorities in connection with the supply of the Goods.

#### 18. **PENALTY:**

- a) If it is found that there is a short fall in the use of Premix in the batch, compared to the prescribed limit of usage mentioned in the tender document the batch will be rejected and no deviation will be accepted. The short fall will be assessed from the QC report of the premix parameters for the batch.
- b) If it is found that Miller has diverted the wheat provided for preparation of Fortified Atta legal actions under the Essential Commodity Act or any other law in force shall be initiated against the Miller.

#### 20. LABOUR

The Miller shall, unless otherwise provided in the Agreement, make his own arrangements for the engagement of all staff and labour, local or otherwise, and for their payment, housing, welfare, transport and other statutory requirements.

## 21. COMPLIANCE WITH LABOUR REGULATION

During the continuance of the Agreement, the Miller shall abide at all times by all existing labour enactments and rules made there under, regulations, notifications and bye laws of the State or Central or local authority.

#### 22. LIQUIDATED DAMAGES

In the event of the Miller failing to supply the ordered quantity as per the quality specifications and in conformity to the requirement within given time limit than Hafed shall be at liberty to get the work done on the risk and cost of the Miller. In such case, Hafed will forfeit the security amount besides black listing the Miller.

#### 23. TITLE AND RISK

- a) All risks, liabilities and obligations in the product as related to product shall be borne by the Miller. The Miller shall always ensure that the goods supplied by it under this contract shall be free from any lien, charges or other claims.
- b) In case the Miller fails to complete the processing and supply of the fortified wheat flour, Hafed shall be at liberty to get the work done from the third party on the risk and cost of the Miller and the difference of expenses/amount shall be recovered from the Miller.

#### 24. FORE CLOSURE

The Hafed reserves the right to foreclose the contract without assigning any reason. In such case the miller will not be entitled to any compensation for non-supply or loss profit or any incidental costs of any kind.

#### 25. NEGOTIATIONS:

The negotiations will be held as per Haryana Govt Guidelines/instructions. All the bidders are requested to be present at the time of opening of tender for negotiations.

#### 26. APPLICABLE LAW AND ITS JURISDICTIONS

The contract shall be governed as per laws of Republic of India and shall be subject to jurisdiction of Courts in Haryana. If any document/information submitted by the Miller is found to be fake/incorrect or not as per the tender

document then criminal proceedings may be initiated against the bidder and the EMD will be forfeited without giving any notice to the party/bidder.

27. Period of the validity is 60 days.

#### 28. **ARBITRATION**

In case of any disputes arising out of the contract the same shall be referred to M.D. Hafed or his/her nominee as arbitrator and his decision shall be final and binding on both the parties.

#### **TECHNICAL SPECIFICATIONS**

#### 1. FORTIFIED WHOLE WHEAT CHAKKI ATTA:

a) Fortified Atta should be made by processing whole wheat and free from dirt, filth, filling and added coloring matter. It should conform to the standards for whole wheat flour, within the specification of FSSAI –

	Particulars	Range
	(a) Moisture -	Not more than 12.0 percent (when determined by
		heating at 130-133'C for 2 hours).
•	(b) Total ash	Not more than 2.0 per cent (on dry weight basis)
	(c) Ash insoluble in dilute HCL	Not more than 0.15 per cent (on dry weight basis)
	(d) Crude fibre	Not more than 2.5 per cent (on dry weight basis)
	(d) Gluten (on dry weight basis)	Not less than 6.0 per cent
	(e) Alcoholic acidity (with 90	Not more than 0.18 per cent at the time of
	per cent alcohol) expressed as	production
	H2SO4 (on dry weight basis)	
	Starch damage	Not less than 15.0 percent
•	Granulation size	250 microns (95% passing through 250 micron
		mesh and 99% passing through 354 micron
		mesh)

<sup>\*</sup>Note: All specifications shall accord to the latest IS standards as amended by the government from time to time.

b) For producing FORTIFIED ATTA, whole wheat flour, produced as above should be fortified with Iron, Folic Acid and Vitamin  $B_{12}$ , as per the fortification standards specified by FSSAI.

i) As per FSSAI 2016 standards, One Kg Fortified Atta contains:

Micronutrient	Form	Level Micronutrient 1.00 Kg Flour	of in
Iron	Sodium Iron (III) Ethylene diamine tetra Acetate, Trihydrate (Sodium federate – Na Fe EDTA).	20 mg	
Folic Acid	Folic acid	1300 ug	
Vitamin B <sub>12</sub>	Vitamin B <sub>12,</sub> Cyanocobalamine, Hydroxycobalamine	10 ug	

ii) As per FSSAI 2018 standards, One Kg Fortified Atta contains:

Micronutrient	Form	Level of Micronutrient in 1.00 Kg Flour
Iron Sodium Iron (III) Ethylene diamine tetra Acetate Trihydrate (Sodium fedetate- Na Fe EDTA).		, ,
Folic Acid Folic acid		75 ug-125 ug
Vitamin B <sub>12</sub>	Vitamin B <sub>12,</sub> Cyanocobalamine, Hydroxycobalamine	0.75 ug – 1.25 ug

The Miller must have the consent of the Food, Civil Department before finalizing the design of the packing material. Failure to include any of the above information may result in rejection of the consignment and non-payment of the invoices against supplies. Miller will supply samples of packing and all labels for approval prior to first dispatch.

- c) Vitamins and Minerals used in the manufacture and supply of Fortified Atta should be from 100% vegetarian source. **The minimum shelf life of the finished product** (Fortified Atta) **should be 45 days** from the date of production. The **FORTIFIED ATTA** must be produced in accordance with relevant Good Manufacturing Practices Standards.
- d) Certificate of Analysis: A copy of the Certificate of Analysis from the Govt. Approved and Authorized Laboratory, accredited by NABL, should be provided, for each batch of 200 MT of the FORTIFIED ATTA.
- e) As per the provisions of FSSAI regulation, each bag of FORTIFIED ATTA should have the list and quantities of added micronutrients on the bag.
- f) It shall have a good smell.

## 2. Manufacturing Process:

- a. The product shall be manufactured from fresh ingredients of good quality, which shall be free from foreign materials, substances hazardous to health, excessive moisture, insect damages and fungal contamination. The ingredients must be stored under dry, ventilated and hygienic conditions.
- b) The production process shall be in accordance with the Code of good Manufacturing Practices and Code of Hygienic Practice for Foods for Infants and Children.
- c) The product is manufactured according to the following recipes. Ingredients: Wheat and micronutrients as specified.
- d) The FORTIFIED ATTA shall be manufactured using the following processing method
  - i. Cleaning of wheat by separator, de-stoner, scourer, aspiration and magnetic system.
  - ii. Milling Process: Grinding of clean Wheat by Chakki Mill and milled into fine flour/course flour (as per requirement) by using modern technology
  - iii. Micronutrient Fortification: The FORTIFIED ATTA is homogeneously mixed with the vitamin/mineral premix using micro-dozer and then processed through the entoleter.
- e) Miller is required to submit details of the premix manufacturers and quality reports of premix from NABL Certified/Govt. recognized/ Department of Food and Civil Supplies recognized laboratory. Department of Food and Civil Supplies may verify the details and all claims submitted with reference to the premix which will be used for fortification of wheat flour and its results in the FORTIFIED ATTA after processing the whole wheat with the premix. For the purpose the Department may ask samples of premix to be used for fortification at the time of award of the contract. If results from such tests are not as per the required standards and specifications, then the Miller may not be considered for award of the contract.

## 3. Recording of Inventory:

- (a) Grain received from Food, Civil Department.
- (b) Wheat outgoing register for processing.
- (c) Premix Incoming Usage Register.
- (d) FORTIFIED ATTA Dispatch Register.
- (e) Quality Testing of FORTIFIED ATTA

#### 4. PACKING:

i) The bag size of FORTIFIED ATTA should be 5, 10, 15, 20 and 25 kg weight for PDS Schemes as per requirement of Food Civil Department. As and when

- required by the State Government, packing of fortified Whole Wheat Chakki Atta will be done in 2,4,6,8 and 10 kg. bags as per packing guidelines and parameters.
- ii) For WCD (ICDS), the packing size will be 50 Kg. or combination of 10 & 25 Kg. Similarly, packing of atta for MDM will be required as per the demand of EED.
- iii) FORTIFIED ATTA should be packed in a laminated HDPE /PP woven sack bag. All packing shall be food grade material appropriate for the packing of FORTIFIED ATTA. Packaging must be properly sealed and machine-stitched.
- **iv)** The bag of FORTIFIED ATTA shall bear label as prescribed by giving details like shelf life of the FORTIFIED ATTA, date of packing, expiry, micronutrients added, batch no. etc. and labeled as:

## "FOR PDS/ICDS/MDM Schemes (as the case may be) IN HARYANA ONLY. NOT FOR SALE IN OPEN MARKET"

Millers should buy the packing material/ packing bags (inner as well as outer) from reputed manufacturers only.

v) The specification of bags and Master Bags is mentioned below:

SN	Packing	Size of	Weight	Size of	Weight	IS standard of
		PP Bag		Master bag	of Master	material to be used
					Bag	
1.	2 kg. PP Bag	12" * 12"	18 gm	24" * 44"	80 gm	IS 9733/2003
2.	4 kg. PP Bag	12" * 17"	27 gm	24" * 44"	80 gm	IS 9733/2003
3.	5 kg. PP Bag	12" * 18"	30 gm	24" * 44"	80 gm	IS 9733/2003
4.	6 kg. PP Bag	12" * 20"	35 gm	24" * 44"	80 gm	IS 9733/2003
5.	8 kg. PP Bag	15" * 22"	43 gm	24" * 44"	80 gm	IS 9733/2003
6.	10 kg PP Bag	15" *23"	45 gm	24" * 44"	80 gm	IS 9733/2003
7.	15 kg. PP Bag	17" * 26"	55 gm	NA	NA	IS 9733/2003
8.	20 kg PP Bag	19" * 28"	65 gm	NA	NA	IS 9733/2003
9	25 kg PP Bag	19" *30"	75 gm	NA	NA	IS 9733/2003

\*Note: All specifications shall accord to the latest IS standards as amended by the government from time to time.

**5. LABELLING:** The exact detail of labeling will be given by Department at the time of awarding the contract. However, the label shall contain the following information in English/ Hindi.

#### PACKING:

- a) Miller's name and address
- b) Date of Manufacture/ Packing Date
- c) Batch No. Net Weight
- d) Best before 45 days
- e) The wording "Fortified Whole Wheat Chakki Atta with Iron, Folic Acid and Vitamin B -12" followed by + Fortification logo as specified in the Schedule II of the Food Fortification regulations issued by FSSAI, on the label.
- f) Any other requirement under FSSAI Rules and applicable packaging act or any other details as required under the existing rules/orders or as may be communicated subsequently.
- g) Any other requirement under FSSAI Rules and applicable packaging act or any other details as required under the existing rules/orders or as may be communicated subsequently.
- 6. SAMPLING PROCEDURE TO GET REPRESENTATIVE SAMPLE OF FORTIFIED WHOLE WHEAT CHAKKI ATTA FROM A BATCH:

The fundamental procedure mentioned in **IS 14818: 2000** shall be followed to get the representative sample from the batch/ lot of approximately 200 MT FORTIFIED ATTA

produced. The sample shall be taken from different bags of that lot randomly. Approx. 2.5Kg to 3.0Kg of **FORTIFIED ATTA** should be collected to get the representative sample having weight of 500 Grams by "sample divider" or "coning and quartering method" for quality checking and keeping the sample for reference in the presence of representative of the Miller.

## 7. Testing Method:

All such tests necessary to determine the conformity of the product with prescribed standard specifications will be conducted. The quality of FORTIFIED ATTA of the representative samples drawn from the offered stock for supply shall be tested as specified by FSSAI.

Wheat should be Fair Average Quality as per below noted specifications.

Moisture	Foreign Matter %	Other food grains %	Damaged grains %	Slightly damag ed grains %	Shrivelled Broken grains %
12%	0.75%	2.00%	2.00%	4.00%	6.00%

#### INSPECTION CHECKLIST OF CHAKKI/FLOUR MILLS.

- 1. **Mill location:** Free from encroachments, environmental issues, should not be on low level to prevent water logging, and adequate drains and pollution controls.
- 2. **Mill access:** Should allow movement of large multi-axle trucks to deliver 20 MT and above.
- 3. **Access to weighbridge:** The miller should be able to make weighments preferably in a radius of about 5 Km
- 4. **Covered Storage Space:** The storage space should be adequate to store wheat requirement for 15 days processing and minimum should be 300 MT for wheat and 10 days of production for packed Atta (Min 200 MT). Mills below 500 MT of covered storage space will not be considered.

5. **Process equipment:** The following equipment and Machineries are required:

S	Purpose	Equipment types	Yes/	· · · · · · · · · · · · · · · · · · ·
N			No	number and capacity.
1	Cleaning	Vibro or rotary classifiers		
	section	Dust aspirators		
		De-stoners		
		Magnetic separator		
İ		Emery rollers		
		Reel machines		
2	Grinding	Stone Chakkis of 24 inches or more.		
3	Size	Plan-sifters with 250 micron		
	grading	mesh or below for Atta and		
		bran/vibro sifter for bran.		
4	Insect-egg	Entoleters or impactor		
	Destroyer	machines with 2500 RPM or above.		
5	Conveying	Elevators and pneumatic		
		conveying equipment with		
		cyclones and bag filters.		
6	Micro-	VFD or load cell controlled		
	feeder	vibro/screw/ gravimetric micro feeders.		
7	Packing	Packing Section for weighing,		
		stitching and packing of bags		
		must be in house.		

All the equipments mentioned in the inspection check list should be able to handle, the capacity (in MT per day) as assessed by the inspection/ assessment committee.

- 6. Mill and operating condition: The mill should be capable of operation for more than 20 hours/day.
- 7. Quality Control Laboratory: The equipments to check the moisture content of grain and atta as per the specifications, mainly sieves to check the granulation should be available in the Mill.
- 8. The bidder has to ensure sufficient Power load/DG Set according to the milling capacity of the mill.
- 9. Operational Chakki Milling Capacity: 40 MT per Day.
- 10. The miller will provide the valid FSSAI Licence and the mill premises including godowns, storage, packing and production hall should be hygiene, sanitation and safety standards and should be as per norms/guidelines defined by FSSAI.

- 11. Packing section for weighing, stitching and packing of bags must be in-house.
- 12. All the equipments mentioned in Inspection check list should be able to handle, the capacity (MT per day) as assessed by the inspection/ assessment committee.
- 13. The miller has to provide the NOC of Fire Safety from the concerned authority.
- 14. The Miller must have ensure sufficient Power load connection according to the milling capacity of the Mill.

## **Technical Bid**

<u>lcai</u>		T
S N	Particulars	Detail
1	Particulars of Bidder/s	
	a. If proprietorship	Name of the Proprietor with address, phone/ email no.
	b. If Partnership firm	Name of all the Partners with their address, phone/fax/email nos.  Is partnership deep registered Yes/No  If yes, Date of registration and name of registering authority (copy of same to be enclosed)
	c. If a Ltd., Company under Indian Companies Act, etc.	Please state Organization detail: Pvt. Ltd/Ltd Registered Name & Office Address,
2	Self attested copy of acceptance of all the terms and conditions of the tender document.	
3	Power of Attorney/Letter of authorization of the Signatory of the bid document if necessary.	
4	Name & Location of Mill, Year of establishment	
5	Self attested copy of manufacturing license issued by the government approved regulatory authorities/DIC and should be valid on the date of applying of the tender, the bidders whose license has expired and have applied for renewal shall not be considered.	
6	Self attested details of functional Chakkis with stone size of each Chakki and the actual production/working capacity to be mentioned in Ton Per Day (TPD).	
7.	Self attested copy of the certificate indicating that manufacturing capacity of the Chakki Mill/Flour Mill with Chakki line is minimum 40 MT per day located in Haryana. The bidder has to indicate the milling capacity (MT per day). The milling capacity, as verified by the Inspection Teams will be considered authentic & final.	
8.	Copies of Balance Sheets/ Profit & Loss Accounts for the last one financial year of 2018-19 of the flour/ chakki mill duly certified by a Chartered Accountant (the Atta Mill which are registered during current financial year will	

	be exempted for this condition.	
9	The Bidder has to submit the Bank Solvency	
	Certificate.	
10	PAN No	
11	GST NO	
12	Self attested certificate of the Miller to	
	guarantee the shelf life of 45 days of	
	FORTIFIED ATTA, from the date of packing.	
13	Company Profile and details of premix	
	manufacturer and supplier to the bidder.	
14	The bidder/party/proprietor/firm will submit the	
	self attested certificate declaring that he has	
	not been debarred or blacklisted from any	
	state/central authority (In any other firm also)	
L	till the due date of submission of bid.	
15	Self attested certificate stating minimum	
	covered storage space 300 MT for wheat and	
	minimum 200 MT for packed Atta (Mills below	
	500 MT of total covered storage capacity will	
40	not be considered.)	) / (b)
16	Weighbridge of 45 MT installed in the Mill	Yes/No
	premises.	V /N -
	Weighbridge of 45 MT is within the 5 KM	Yes/No
47	radius from the Mill Premises.	
17	Valid FSSAI License No. and attach the	
	Certificate.	

## **FINANCIAL BID**

The following financial bid is being quoted subject to acceptance of all the terms and conditions of the tender document and other applicable law.

S Size of different packing for which rates have to be quoted as per requirement of different variants/combinations for ICDS/PDS/MDM.  Rate for the complete operations as per the scope of work and the tender document.  (Rs. per quintal of wheat inclusive GST/ all taxes).  (Wheat supplied in Jute bag)  Rate for the complete operations as per scope of work and tender document.  (Rs. per quintal of wheat inclusive of GST taxes).  (Wheat supplied HDPE bag)	the the neat
1 50 kg. for ICDS	
2 Combination of 10 & 25 kg.	
3 For 2,4,6,8 and 10 kg.	
bag.	
4 For 5, 10, 15, 20 and 25	
kg Bags.	

I/we hereby agree to abide by all the terms and conditions laid down in the tender documents.
