18. Annexure 6

Sr. No.	Service Level	Measure	Penalty
1.	Inventory Accuracy	99.99%	Debit for lapse value on Landed cost
2.	Delayed Delivery	As per TAT (Turn Around Time)	<ol style="list-style-type: none"> <li>0.5% of value delayed will be charged for delayed delivery. HAICL desires the delivery time period from Warehouse to Distribution Center (DC) is maximum 48 hrs. and from Distribution Center (DC) to franchisee stores is maximum 24 hrs. However, the same will be mutually decided between the LSP vendor and HAICL during the implementation period.</li> <li>Penalty will not be imposed if LSP ensures 90% delivery within agreed time-period. However, if delayed delivery is below 90% then penalty will be imposed on all delayed value. For eg if delayed delivery is 88% then penalty will be imposed on the value of all 12% delayed deliveries.</li> <li>Delayed delivery will not be counted in unavoidable conditions such as Acts of god (Like Earthquake, Flood, etc.), law and order situations.</li> </ol>

Note - Miscellaneous (clarifications)

Subject	Reference clause	Content in RFP Requiring Clarification	Clarification
Annexure 5 Transportation Function Detailed Work Scope	Point No. 1.1.2. Page No. 47	Logistics Coordinator will schedule the vehicle (size/cube) on the bases of volume for a day accordingly in coordination with HAICL	<p>HAICL proposes that transit time from warehouse to regional DC should not be more than 48 hours and from regional DC to retail outlet should not be more than 24 hours. However, Transit Time or Turnaround time will be proposed by LSP in coordination with HAICL as best practice and will be drafted in SLA in later part.</p> <p>Minimum order dispatch from regional DCs to outlet will be approx. Rs.10000/-.</p>

**Request you to submit the bid of Technical & Financial bid as per Corrigendum.**

**Request you to submit the bid of Technical & Financial as per Corrigendum.**

			However, in initial stage of opening of each outlet, in order to provide relaxation and ensure success of project, LSP and HAICL will work on ideal minimum order dispatch and mutually agreed upon. However, this relaxation will not be more than 2-3 months for each or any outlet. From Regional DC to Retail Outlet should not be more than 24 hours.
Objective of the Project & Scope of the Work	Point Nos. 8.3.2, 8.3.3, 8.3.4 Page No. 23  Point No. 8.3.5. d) Page No. 24	Standard Operating Procedure	SOP will be mutually designed by HAICL and LSP in later part.
Objective of the Project & Scope of the Work	Point No. 8.3.5. c) Page No. 23	Perishable Product (like dairy product-Vita) having shelf life less than 15 days (preferably in Urban area) will be delivered to retail outlet directly from plants, in later stage	All Perishable products supply in urban area or villages near urban area will be managed by Vita existing mechanism  In rural area, Vita products such as ghee, sweets which have substantial shelf life will only be supplied by LSP. These products will be delivered from plant to warehouse or DCs directly by vita.  HAICL will explore the possibility of providing ice-creams. Thus LSP will provide required vehicles, if required for any relevant product.
Objective of the Project & Scope of the Work	section 8.3.1, b) Page No. 22	HD racking/racking and required Material Handling Equipment will be provided by vendor.	Warehouse will have HD Rack; DC design decision will be taken by LSP in a manner that Operation does not get impacted.
Objective of the Project & Scope of the Work	section 8.3.1, a) Page No. 22	Complete set up of Warehouse and Distribution Centre will be vendor responsibility. In case of non-availability of space for warehouse/DCs, Vendor may approach to HAICL and HAICL may provide space available with HAICL, HAFED and HSWC, subject to the availability of space. HAICL will charge Rs. 15-30/- per sq feet according to the location of the said space.	LSP will arrange desired number of centralized warehouse and regional DC at their own level.  In case, LSP is not able to arrange space for any regional DC, LSP may approach HAICL and HAICL will try to arrange space from any government department and will charge rent as mutually agreed upon based on market survey and as mentioned in TOR. However, HAICL doesn't guarantee or commit provision of space.
Chapter No. 6 - Terms & Condition	Point No. 12 Page No.17	The rates should not more than 4% of total revenue (sales from DCs). The rates shall be written only in two decimal places and in words correctly	Rs.100 crores per annum will be minimum Guarantee.  However, HAICL projects Rs.500 crores Turnover within first year and

**Request you to submit the bid of Technical & Financial bid as per Corrigendum.**

**Request you to submit the bid of Technical & Financial as per Corrigendum.**

			<p>thus bidder should plan resource deployment accordingly.</p> <p>Annual Turnover is invoice value from warehouse/DC to retail outlet plus institutional sales from warehouse/DCs.</p>
