- 3.3.2 In case the annual accounts for the latest financial year are not audited and therefore the Bidder cannot make it available, the Bidder shall give an undertaking to this effect and the statutory auditor shall certify the same. In such a case, the Bidder shall provide the Audited Annual Reports for 3 (three) years preceding the year for which the Audited Annual Report is not being provided.
- 3.3.3 **The Bidder must establish average annual Turnover and minimum Net Worth specified in Clause 2.2.1 (B) and provide details as per format at Annexure III: Financial Capacity of Bidder of Appendix I: Letter Comprising the Bid.**

3.4 Short listing of Bidders

- 3.4.1 The Authority shall qualify and shortlist the Bidders who fulfill the stipulated Technical and Financial Capacity criteria as set out in this RFP, along with the other conditions of the RFP.

- 3.4.2 The Authority will notify the other Bidders also who do not fulfill either or both of the Technical and Financial Capacity. The Authority will not entertain any query or clarification from Bidders who fail to qualify.

3.5 Selection of Bidder

In case of Option 1, the Clause may be read as below:-

- 3.5.1 The Authority would open the Bid as per the schedule specified in Clause 1.3. **Bidder whose Bid is adjudged as responsive in terms of Clause 3.2.1 and who quotes the highest “Annual Concession Fee (ACF)” payable to the Authority payable annually for the concession granted shall be ranked as H1 Bidder** and all other Bidders shall be placed below and ranked accordingly as H2 or H3 Bidder depending upon their quoted ACF. Subject to the provisions of this Agreement the H1 Bidder shall be declared as the Selected Bidder. Any Bidder who quotes Annual Concession Fee lower than the Reserve Price shall be disqualified from the Bidding Process.

In Case of Option 2, the above clause may be read as below:-

The Authority would open the Bid as per the schedule specified in Clause 1.3. Bidder whose Bid is adjudged as responsive in terms of Clause 3.2.1 and who quotes the lowest “Operational Expenses per MT of oil manufactured” payable by the Authority shall be ranked as L1 Bidder and all other Bidders shall be placed below and ranked accordingly as L2 or L3 Bidder depending upon their quoted operational expenses per MT of Oil Manufactured. Subject to the provisions of this Agreement the H1 Bidder shall be declared as the Selected Bidder. Any Bidder who quotes Annual Concession Fee lower than the Reserve Price shall be disqualified from the Bidding Process.

- 3.5.2 In the event that two or more Bidders quote the same amount of Annual Concession Fee (the “**Tie Bidders**”), the Authority shall identify the Selected Bidder by draw of lots, which shall be conducted, with prior notice, in the presence of the Tie Bidders who choose to attend.
- 3.5.3 In the event that the Highest Bidder withdraws or is not selected for any reason in the first instance (the “**first round of bidding**”), the Authority may invite all the remaining Bidders to revalidate or extend their respective Bid Security, as necessary, and match the Bid of the aforesaid Highest Bidder (the “**second round of bidding**”). If in the second round of bidding, only one Bidder matches the Highest Bidder, it shall become the Selected Bidder. If two or more Bidders match the said Highest Bidder in the second round of bidding, then the Bidder whose Bid was higher as compared to other Bidder(s) in the first round of bidding shall be the Selected Bidder. For example, if the third and fifth highest Bidders in the first round of bidding offer to match the said Highest Bidder in the second round of bidding, the said third highest Bidder shall be the Selected Bidder.
- 3.5.4 In the event that no Bidder offers to match the Highest Bidder in the second round of bidding as specified in Clause 3.3.3, the Authority may, in its discretion, invite

fresh Bids (the **“third round of bidding”**) from all Bidders except the Highest Bidder of the first round of bidding, or annul the Bidding Process, as the case may be. In case the Bidders are invited in the third round of bidding to revalidate or extend their Bid Security, as necessary, and offer fresh Bids, they shall be eligible for submission of fresh Bids provided, however, that in such third round of bidding only such Bids shall be eligible for consideration which are higher than the Bid of the second highest Bidder in the first round of bidding.

- 3.5.5 Notwithstanding anything to the contrary contained in this RFP, the Authority reserves the right to reject or annul the Bidding Process and/ or reject any Bid at any stage without assigning any reason. In the event that the Authority rejects or annuls all the Bids, it may, in its discretion, invite all eligible Bidders to submit fresh Bids hereunder.

Note: - While Bidders are allowed to submit their proposals under any of the 2 options mentioned above, the final decision to select the Bidder (the “Selected Bidder”) shall be at the discretion of the Authority.

3.6 Award of the Project

- 3.6.1 After selection, a Letter of Award (the **“LoA”**) shall be issued by the Authority to the Selected Bidder and the Selected Bidder shall, within 7 (seven) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgement thereof. In the event the duplicate copy of the LOA duly signed by the Selected Bidder is not received by the stipulated date, Authority may, unless it consents to extension of time for submission thereof, appropriate the Bid Security of such Bidder as Damages on account of failure of the Selected Bidder to acknowledge the LOA, and the next eligible Bidder may be considered.
- 3.6.2 After acknowledgement of the LOA as aforesaid by the Selected Bidder, it shall cause the Concessionaire to execute the Concession Agreement within the period prescribed in Clause 1.3. The Selected Bidder shall not be entitled to seek any deviation, modification or amendment in the Concession Agreement.

APPENDIX VI: GUIDELINES OF THE DEPARTMENT OF DISINVESTMENT

(To be signed & submitted along with the Bid)

No. 6/4/2001-DD-II Government of India

Department of Disinvestment

Block 14, CGO Complex
New Delhi.

Dated 13 July 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the Process of Disinvestment.

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/ disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- a. In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- b. In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- c. In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
- d. Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred

an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.

- e. The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.
- f. Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- g. Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
