1. Background:

The Haryana State Cooperative Supply and Marketing Federation Limited (hereinafter referred as 'HAFED') is the Haryana's largest cooperative federation serving farmers and consumers since 1966.

Hafed invites E-Tenders from reputed Companies to undertake all the complete jobs of overhauling, repair & maintenance and operation alongwith co-generation and power export to the state grid along with materials (Engineering Materials, Process Chemicals, like Lime, Sulphar, Biocides, Phosphoric Acid, Caustic Soda, Sodium Chloride etc and Lab Chemicals, Evaporators Tube cleaning chemicals, Lubricants, Boiler Chemicals except Raw material & Excess fuel) for 3 years extendable for next two years of Hafed Sugar Mill, Assandh, Distt. Karnal (Haryana) in single stage two cover system i.e. request for Technical Bid (online bid under Technical Envelope) and request for Financial Bid (comprising of price bid Proposal under online available Commercial Envelope):-

INSTRUCTIONS TO BIDDER ON ELECTRONIC TENDERING SYSTEM

These conditions will over-rule the conditions stated in the tender documents, wherever relevant and applicable.

1. Registration of bidders on e-Procurement Portal:

All the bidders intending to participate in the tenders process online are required to get registered on the centralized e-Procurement Portal i.e. <https://etenders.hry.nic.in> Please visit the website for more details.

2. Obtaining a Digital Certificate:

- 2.1** The Bids submitted online should be encrypted and signed electronically with a Digital Certificate to establish the identity of the bidder bidding online. These Digital certificates are issued by an Approved Certifying Authority, by the Controller of Certifying Authorities, Government of India.
- 2.2** A Digital Certificate is issued upon receipt of mandatory identity (i.e. Applicant's PAN Card) and Address proofs and verification form duly attested by the Bank Manager / Postmaster / Gazetted Officer. Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website – <https://etenders.hry.nic.in>
- 2.3** The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from.
- 2.4** The bidder must ensure that he/she comply by the online available important guidelines at the portal <https://etenders.hry.nic.in> for Digital Signature Certificate (DSC) including the e-Token carrying DSCs.
- 2.5** Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt and sign the data during the stage of bid preparation. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised **to keep a backup of the certificate** and also keep the copies at safe place under proper security (for its use in case of emergencies).
- 2.6** In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/power of attorney /lawful authorization to that User. The firm has to authorize a specific individual

through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

2.7 In case of any change in the authorization, it shall be the responsibility of management / partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.

2.8 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of Hafed.

3. Pre-requisites for online bidding:

In order to operate on the electronic tender management system, a user's machine is required to be set up. A help file on system setup/Pre-requisite can be obtained from NIC or downloaded from the home page of the website – <https://etenders.hry.nic.in> the link for downloading required java applet & DC setup are also available on the Home page of the e-tendering Portal.

4. Online Viewing of Detailed Notice Inviting Tenders:

The bidders can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the single portal e-Procurement system on the Home Page at <https://etenders.hry.nic.in>

5. Download of Tender Documents:

The tender documents can be downloaded free of cost from the e-Procurement portal <https://etenders.hry.nic.in>

6. Key Dates:

The bidders are strictly advised to follow dates and times as indicated in the online Notice Inviting Tenders. The date and time shall be binding on all bidders. All online activities are time tracked and the system enforces time locks that ensure that no activity or transaction can take place outside the start and end dates and the time of the stage as defined in the online Notice Inviting Tenders.

7. Online Payment of Tender Document Fee, Processing fee & EMD fees & Bid Preparation & Submission (Technical & Commercial/Price Bid):

7.1 Online Payment of Tender Document Fee + Processing fee: The online payment for Tender document fee, Processing Fee & EMD can be done using the secure electronic payment gateway. The Payment for Tender Document Fee and Processing Fee shall be made by bidders/Vendors online directly through Debit Cards & Internet Banking Accounts and the Payment for EMD shall be made online directly through RTGS / NEFT & OTC.
The secure electronic payments gateway is an online interface between contractors and Debit card / online payment authorization networks.

7.2 PREPARATION & SUBMISSION OF online APPLICATIONS/BIDS:

- (i) Detailed Tender documents may be downloaded from e-Procurement website <https://etenders.hry.nic.in> and tender mandatorily be submitted online following the instruction appearing on the screen.
- (ii) Scan copy of Document to be submitted / uploaded for technical bid under online Technical Envelope. The required documents (refer to DNIT) shall be prepared and scanned in different file formats (in PDF/JPEG/MS WORD format such that file size is not exceed more than 10 MB) and uploaded during the on-line submission of Technical Envelope.
- (iii) **FINANCIAL or Price Bid PROPOSAL shall be submitted mandatorily online under Commercial Envelope and original not to be submitted manually)**

(Online Payment Guidelines)

Guideline for Online Payments at e-Procurement Portal of Government of Haryana.

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing) & Password. Bidder shall proceed to select the event/Tenders he is interested in. On the respective Department's page in the e-Procurement portal, the Bidder would have following options to make payment for tender document fee + Processing fee & EMD:

- A. Debit Card
- B. Net Banking
- C. RTGS/NEFT or Over The Counter (OTC) **Operative Procedures for Bidder Payments**

A) Debit Card

The procedure for paying through Debit Card will be as follows:

- (i) Bidder selects Debit Card option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.
- (iii) Bidder clicks on "Continue" button.
- (iv) The e-Procurement portal takes the bidder to Debit Card payment gateway screen.

- (v) Bidder enters card credentials and confirms payment.
- (vi) The gateway verifies the credentials and confirms with “successful” or “failure” message, which is confirmed back to e-Procurement portal.
- (vii) The page is automatically routed back to e-Procurement portal.
- (viii) The status of the payment is displayed as “successful” in e-Procurement portal.
- (ix) In case of successful payment, a success message along with unique transaction ID is passed on to e-Procurement system. The e-tendering portal shall store the unique transaction number in its database along with the date and timestamp.
- (x) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

B) Net Banking

The procedure for paying through Net Banking will be as follows:

- (i) Bidder selects Net Banking option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid by bidder.
- (iii) Bidder clicks on “Continue” button
- (iv) The e-Procurement portal takes the bidder to Net Banking payment gateway screen displaying list of Banks
- (v) Bidder chooses his / her Bank
- (vi) The Net Banking gateway redirects Bidder to the Net Banking page of the selected Bank
- (vii) Bidder enters his account credentials and confirms payment
- (viii) The Bank verifies the credentials and confirms with “successful” or “failure” message to the Net Banking gateway which is confirmed back to e-Procurement portal
- (ix) The page is automatically routed back to e-Procurement portal
- (x) The status of the payment is displayed as “successful” in e-Procurement portal.
- (xi) In case of successful payment, a success message along with unique transaction ID is passed on to e-Procurement system. The e-Procurement portal shall store the unique transaction number in its database along with the date and timestamp.
- (xii) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

C) RTGS/ NEFT

This solution shall also allow the bidder to make the EMD payment via

RTGS/NEFT this shall add to the convenience of those bidders who are not conversant to use net banking option to make the transaction.

Using this module, bidder would be able to pay from their existing bank account through RTGS/NEFT. This would offer a wide reach for more than 1,10,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

1. To choose the payment of EMD, the bidder clicks on RTGS/NEFT payment option.
2. Upon doing so, the e-Procurement portal will redirect the bidder to a page where it will generate a Challan.
3. This Challan shall include the beneficiary (virtual) account number and other details like beneficiary IFSC code each.

RTGS / NEFT Payment Procedure

The bidder shall be required to take a print of the challan and make the RTGS / NEFT on the basis of the virtual account number period on the challan. This provision will ensure that number confidential details regarding the bidder or tender are disclosed to the bank while remitting the RTGS/NEFT.

The bidder would remit the fund at least one day in advance to the last day and make the payment via RTGS/NEFT to the beneficiary account number as mention in the challan. SBI Bank shall receive this amount and credit the payment gateway service provider intermediary Department/PSUs Escrow Security Deposit account post validating the first part of the beneficiary account number, i.e., the client code only, In case of validation of client code is not successful, the bank shall return the fund and not credit the Tech process intermediary Department/PSUs Escrow Security Deposit A/c.

D) Over the Counter (OTC)

This solution shall allow the bidder having account with SBI bank, to make the payment from any CMS enables Branch of SBI Bank in India. Bidders can make the payment via cash (if amount is \leq Rs. 49,999), Demand Draft or SBI Bank Cheque.

The procedure for paying through OTC mode is as follows:

- (i) Bidder selects over the counter remittance option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid. The bidder chooses the bank account number for refund of the amount.
- (iii) Bidder clicks on “Continue” Button.
- (iv) The e-Procurement portal displays the details of payment. The Bidders click on Print Challan” and print the OTC Challan.
- (v) Bidder submits the OTC Challan at the counter of any designated bank of SBI Bank with Cash/Demand Draft/SBI Bank Cheque (Payment in Cash is allowed upto Rs. 49,999/-).
- (vi) SBI bank verifies the URL (format to be discussed and decided) and amount with e-Procurement portal prior to accepting the payment.
- (vii) On successful verification from e-Procurement portal, SBI bank accepts the payment. In case of failure, SBI bank shall return back the OTC challan and payment to the bidder.
- (viii) SBI bank commits the payment transaction (in case of successful verification from e-Procurement portal) and sends the Bank Transaction number (I-Sure Reference Number) online against the URN and Amount.
- (ix) SBI bank will generate receipt for the payment transaction and issues the same to the bidder.
- (x) The e-Procurement system updates the bank transaction number against the URN and Amount based on the details sent by SBI bank online prior to generation of the receipt.
- (xi) The status of the payment will be displayed as “verification successful” in e-Procurement Portal when the bidder clicks on the verification option in the portal.
- (xii) Bidder would be required to upload the scan copy of receipt as received from SBI Bank as part of proof in next tender portal before submitting the tender.

- 8.2 Any material/spare parts/chemical available in the Hafed Sugar Mill store and require by the party can be issued to them on their request on actual rates basis.
- 8.3 The scrap material generated in the mill and the old/replaced/damaged spares, equipments etc. will be retained by the bidder.
- 8.4 Printed stationery required for various log books and reports shall be provided by HAFED.

9 Supply of Sugarcane:

The supply of sugarcane as per indent of the bidder at Mill gate up to cane carrier will be the responsibility of Cane Department of the HAFED, Assandh.

10 Supply of Fuel:

The supply of extra fuel (HSD & Bagasse) if required shall be arranged by the HAFED, Assandh.

11 Performance parameters:

The performance targets in respect of various main parameters like stoppage, losses, Capacity utilization, Quality of sugar is given as under: -

11.1 Stoppage:

Maximum 3% stoppages will be admissible other than No cane, inclement weather, farmer's agitation, General Cleaning, failure of Power supply etc.

11.2 Sugar Losses:

Maximum 2.0% total losses on cane are admissible on account of loss in Bagasse, molasses and unknown.

11.3 Capacity Utilization:

Minimum 100 ± 5 % capacity utilization should be achieved at the end of crushing season. The party shall also ensure trouble free services to crush at least Rated capacity cane per day during the season.

11.4 Quality of Sugar: -

Bidder will produce 70% grain with size of M 30 /M-31Grade.

12 Power Export:-

- 1.2 M.W. power to be exported to HSEB per hours in a day.
- No power will be exported during stoppage, break down of Sugar Mill and the period of break down will be considered as dead period for power export.

13 Penalty: -

For not achieving the above parameter mentioned at Para No. 8.1 to 8.5, the maximum penalty of Rs. 8,00,000/- (Rupees Eight Lakh) of failing of each parameter will be recovered from the bidder.

14. Damage to Machinery: -

Any damage of machinery during overhauling, repair, maintenance & operation, if occurred due to negligence of staff of the party, the same will be recovered from the party.

If machinery damaged due to manufacturing defects, then loss will be borne by the Hafed or supplier, as the case may be.

The insurance of plant & machinery and equipment required for pollution control for air and water shall be responsibility of Hafed management.

15. Payment terms

a) Off-season Payment

The Bidder will quote lump sum amount for complete off-season Repair & maintenance. Billing and payment will be done on monthly basis and 95% payment will be released accordingly on the submission of invoices in 1st week of every month. Balance 5% will be made at the end of the off-season.

b) Season Payment

Fees will be paid on monthly basis as per the commercial terms finalized for operation& maintenance of the plant -

- (i) The bidder will submit the invoice for the total contract value on the 1st of the each month. 95 % payment will be released within seven days after submission of invoice/bill.
- (ii) Balance 5 % of the contract value will be made at the end of the crushing season after finalization of R.T. (8) C.
- c) TDS as applicable will be deducted at source.
- d) All taxes, GST as applicable shall be paid extra.
- e) The rates shall be enhanced by 7% annually each year.

16. Contract Period:

The contract period is for 3 years i.e. 3 off-seasons and 3 crushing seasons extendable for next 2 years. The contract period commences from off-season 2023 continues till the end of crushing season 2025-26. The contract period can be extended upto 2027-28 on the mutual consent on the basis of performance.

The period of Repair & Maintenance of plant will start immediately after allotment of work. Period of crushing season shall be considered as one week before start of crushing season and one week after close of crushing operations.

17 SAFETY OF PERSONNEL

17.1 The contractor shall cover all personnel deputed for performance of contract under appropriate insurance scheme.

17.2 Hafed shall not be responsible or held responsible or held liable for any damage

to person or property that may result during the execution of contract by the contractor.

17.3 The contractor has to agree to indemnify Hafed from any or all claims for damages that may result during the execution of Contract by the contractor.

17.4 The contractor shall provide all safety gears and livery to its workmen to ensure their safety and protection from injuries during the execution of works.

18 MAINTENANCE OF DISCIPLINE BY THE CONTRACTOR

The Contractor shall be liable to comply with covenants of contract and tender documents. Hafed has expected the Contractor and his representatives and the labour to conduct themselves in a disciplined manner. All rules and instructions pertaining to wellbeing of the factory and its precincts, the sanitation and health etc. should be adhered to and in the event of any theft, arson or any antisocial activities on the part of the Contractor, his employees or his labour, Hafed shall have the right to terminate the' agreement.

19. - GOVERNING LAW S AND RIGHT OF INDEMNITY OF HAFED.

19.1 The Contractor shall comply with all laws in force at the place, where the supplied Equipment are installed and where the Installation Services are carried out. The laws will include all national, provincial, municipal or other laws that affect the Performance of the Contract and binding upon the Contractor. The Contractor shall indemnify and hold Hafed harmless from and against any and all liabilities, damages, claims, fines, penalties and expenses of whatever nature arising or resulting from the violation of such laws by the Contractor or its personnel, including the Subcontractors and their personnel.

19.2 The Contractor shall indemnify Hafed for all the injuries caused to any person or to public property due to his negligence or to the negligence of his workmen during the performance of contract.

19.3 Contractor shall abide by all existing / future labour enactments and rules, regulations, notifications and bye laws of Haryana State or Central Government or local authority.

19.4 The Contractor shall comply with all the provisions of the Statutory Acts and rules framed hereunder particularly in respect of the Factory Act. 1948, the Payment of Wages Act. 1936, the Industrial Disputes Act, 1947, the Industrial Employment Standing Orders Act, 1946, the Minimum Wages Act, 1948, the Collection of Statistic Act, 1953, the Workmen's Compensation Act, 1923, Fatal Accidents Act, 1935, Personal Injuries (Compensation Insurance) Act, 1963, the Trade

union Act, 1926, Maternity Benefit Act, 1961, Employees Provident Fund Act, 1952, Contract Labour (Regulation and Abolition) Act, 1970, Indian contract Act, 1872 and the rules framed by the state in respect of various Labour Acts as demanded from time to time and shall also comply with the provision of any other enactment statutes, rules regulations made by a competent authority and enforced in the state during the currency of the contract. The Contractor shall indemnify Hafed for the penalties on account of breach of any of the conditions, there under.

- 19.5 Hafed shall remain indemnified by the Bidder against any claim arising under the payment of W ages Act, or the payment of Bonus, C.P. Fund or Gratuity of Compensation Act arising during the pendency of the contract. All such claims will be met with by the Contractor themselves from the payment made to them.

20. FORCE MAJEURE

In case either of parties fail to full fill, in time, then, respective contractual obligation owing to future event beyond their control like Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities, civil war, rebellion, from time to time for performance of such obligation/responsibility shall automatically extended for the period of force majeure. Provided force majeure is established & one party shall inform to the other party for such occurrence but no one party shall blame other party and claim by the Bidder due to force majeure condition, & both parties mutually agree to further course of action.

21. TAX/ DUTIES ETC.

All Taxes and duties for Supply, Packing & forwarding, Transportation, Installation, testing & commissioning shall be paid by company on actual basis.

22. CONTRACT DOCUMENT

A contract arising on acceptance of this tender or in consequence of this tender, Hafed and the Contractor, shall agree to abide by all the terms & conditions of the tender documents as well as the terms and conditions mutually agreed in writing between the parties.

23. ARBITRATION

If any dispute or difference of any kind whatsoever shall arise between the parties in connection with or arising out of this agreement (and whether

before or after the termination on breach of this agreement) parties shall promptly and in good faith negotiate with a view to its amicable resolution and settlement. In the event no amicable resolution or settlement is reached within a period of 15 days from the date on which the dispute or difference arose, such dispute or difference shall be referred to a mutually acceptable sole arbitrator or upon the failure of the parties to agree upon a sole arbitrator, either party may get the appointment of sole arbitrator from the competent court of governing jurisdiction. The arbitration proceedings shall be conducted in a fast track mode as per the provisions of the Indian Arbitration and Conciliation Act 1996 and rules made there under. The arbitration shall be conducted in English. The venue of arbitration proceedings shall be Panchkula, Haryana. The fees and expenses shall be borne equally by both the parties.

The existence of any dispute or difference or the initiation or continuation of the arbitration proceeding shall not postpone or delay the performance by the parties of their respective obligations pursuant to this agreement. The outcome of the arbitration shall be binding upon all parties involved.

24. JURISDICTION

The competent civil court of Panchkula, Haryana only shall have the exclusive territorial jurisdiction to entertain and decide any dispute arising out of this MOU. The jurisdiction of the court shall be invoked only if the dispute or differences are not settled in the arbitration proceedings.

Technical Proposal Submission Form

Date:

Place:

**The Managing Director,
Haryana State Co-operative Supply and Marketing Federation
Limited (HAFED), Sector 5, Panchkula, Haryana – 134108**

Sub: Tender for Outsourcing of Overhauling, Repair, Maintenance and Operation with material (Engineering Materials, Process Chemicals, like Lime, Sulphar, Biocides, Phosphoric Acid, Caustic Soda, Sodium Chloride etc and Lab Chemicals. Evaporators Tube cleaning chemicals, Lubricants, Boiler Chemicals except Raw material & Excess fuel) during season and off-season of Hafed Sugar Mill Ltd., Assandh, Haryana.-

We, the undersigned, offer to provide our proposal for the assignment for Outsourcing of Overhauling, Repair, Maintenance and Operation with material (Engineering Materials, Process Chemicals, like Lime, Sulphar, Biocides, Phosphoric Acid, Caustic Soda, Sodium Chloride etc and Lab Chemicals, Evaporators Tube cleaning chemicals, Lubricants, Boiler Chemicals except Raw material & Excess fuel) during season and off-season of Hafed Sugar Mill Ltd., Assandh, Haryana." in accordance with your tender dated We are hereby submitting our proposal only through online mode, which includes Technical Proposal and Financial Proposal.

We hereby declare that all the information and statements made in this Proposal are true and accept that any misinterpretation contained in it may lead to disqualification. Our Proposal is binding upon us and subject to the modification resulting from Contract negotiations.

We undertake that if our proposal is accepted to initiate the services related to the assignment not later than the date indicated in document control sheet.

We understand Hafed is not bound to accept any proposal that is received.

Yours sincerely,

Position wise Experience details are listed below.

S. No.	POSITION NAME	EXPERIENCE
1	General	
1.1	Technical Head	12- 15 Years' Experience in sugar factory, in which at least 5 years he should worked as a department head and for Diploma holder he should have experience of 15-20 years in which he should have minimum 5 years experience as a Engineering HOD.
1.2	Admin Assistant	8-10 years experience in similar position.
2	Production	
2.1	Head Production (HOD)/Chief Chemist cum Production Engineer	12+ years experience in sugar factory in production department, in which at least two/three years he should worked as production manager.
2.2	Shift Chemist	2-5 years experience in sugar factory in production department.
2.3	Clarification section.	
2.3.1	Juice & syrup sulphitor Operator	3-5 years experience in Juice/Syrup sulphitation unit and Sulphur burner operation.
2.3.2	Clarifier/Vacuum Filter Operator / Clarifier/Filter attendant	3-5 years experience in Clarifier/ Rotary Vacuum filter operation.
2.3.3	Sulphur Burner Attendant	3-5 years experience in sulphur burner /sulphitor operation.
2.4	Evaporator section.	
2.4.1	Evaporator cum J.H Operator	6-10 Years experience in Juice heater and Evaporator operation.
2.4.2	Evaporator attendant	4-6 years experience in Juice heater and Evaporator operation.
2.5	Pan station	
2.5.1	Head Pan Man	12-15 years experience in various pan boiling (both batch and continuous) in which he should worked as pan Incharge for 5 years.

2.5.2	Pan Man	5-8 years experience in pan boiling.
2.5.3	Astt. Pan man	3-5 years experience in pan boiling.
2.5.4	Pan floor attendant	1-3 year experience in pan station.
2.6	Centrifugal and Accessories.	
2.6.1	A CF Operator/ Mate	6-10 years experience in batch centrifugal operation.
2.6.2	B & C CF Operator	3-6 years experience in continuous centrifugal machine operation.
2.6.3	Magma/Mingler Attendant	1-3 year experience in magma/Mingler operation.
2.6.4	Auxiliary equipments Attendant	3-5 years experience in crystallizer/hopper/grader unit operation.
2.6.5	Drier House Clerk/Clerk	6-10 Years experience in similar accounting of ware house/store.
2.7	Effluent Treatment Plant.	
2.7.1	Sugar ETP Attendant	3-6 years experience in ETP operation with both Aerobic and Anaerobic treatment.
2.8	Quality Control (Sugar)	
2.8.1	Lab Incharge	10+ years experience in Sugar Quality control lab.
2.8.2	Lab Chemist	3-6 years experience in Sugar Quality control lab.
3	ENGINEERING (SUGAR)	
3.1	Engineering HOD	12+ years experience in sugar factory in engineering department,
3.2	Mechanical Head/Sr.Engineer	6-10 years experience in sugar factory engineering department.
3.3	Shift Engineer	3-5 years experience in sugar factory shift management.
3.4	Welder	4-8 years experience as welder.
3.5	Cane Unloader Operator	3-6 years experience as a cane unloader operator.

3.6	Cane Carrier Operator/Feed Table Operator	3-6 years experience as a cane carrier operator.
3.7	Mill Fitter	6-10 years experience in mills in which he should at least worked a mill fitter for 3-4 years.
3.8	Fitter Helper/Oil Man	2-5 years experience in mills along with fitter.
3.9	Pump/Juice Tray Attendant	2-5 years experience in mills along with fitter.
3.10	Mill/Fibrizor/Power Turbine Operator	4-6 years experience in operation
3.11	Boiling House Fitter	6-10 Years experience as a fitter in Boiling house and should be specialist in Centrifugal maintenance.
3.12	Fitter Helper/Fitter	3-6 years experience in Boiling house.
3.13	Pump Man/Evaporator Pump Man	3-6 years experience in Boiling house and should have the knowledge of operating various types of pump.
3.14	Oil Man cum Utility attendant	3-6 years experience in Boiling house and cooling tower operation and maintenance.
4	Electrical	
4.1	Electrical Head	10 Year Experience
4.2	Electrician	3-6 years experience in sugar factory in Electrical department.
4.3	Electrical helper/Electrician	2-5 years experience in sugar factory in Electrical department.
5	Instrumentation	
5.1	Instrumentation Engineer	3-6 years for B.Tech and 10 years for Diploma holder. He should have worked in sugar plant with DCS operation.
5.2	Sr. Instrument Mechanic	3-6 years for Diploma holder and 7-8 years for I.T.I. He should have worked in sugar plant with DCS operation.

ANNEXURE-II

Financial Bid Format

“Financial Bid for Outsourcing of Repair & Maintenance and Operation& Maintenance with material (Engineering Materials, Process Chemicals, like Lime, Sulphar, Biocides, Phosphoric Acid, Caustic Soda, Sodium Chloride etc and Lab Chemicals, Evaporators Tube cleaning chemicals, Lubricants, Boiler Chemicals except Raw material & Excess fuel) of the Hafed Sugar Mills Ltd., Assandh, Haryana for the period of 3 years extendable for next 2 years.

BOQ (Financial Bid)

Sr. No.	Particulars	Amount (Taxes as applicable will be paid extra)
1	Repair & maintenance during off-season with material (Engineering Materials, spare parts, repairing of rollers, work of boiler & turbine, AMC's of all equipments/machines as per requirement & past practice, electrical items, cables, complete dismantling of plant / machinery assessment of repair / replacement & execution of repair /replacement, Lubricants, Consumables, etc. as and when required and all the work as reported/required by Hafed (Lump sum Basis).	
2	Operation& Maintenance of the Mill during the season with material (Engineering Materials, Process Chemicals, like Lime, Sulphar, Biocides, Phosphoric Acid, Caustic Soda, Sodium Chloride etc and Lab Chemicals. Evaporators Tube cleaning chemicals, Lubricants, Boiler Chemicals except Raw material & Excess fuel) (Per Month)
